DETAILS

SHOTGUN START means all players start at the same time and are assigned to different holes.

ALTERNATING NINES means you will not be stuck playing the same nine each week

PAIRINGS you may request one person that you can play with each week. Since the format is individual matches we need the flexibility to pair you and your playing partner with a new opponent each week.

ATTIRE is golf casual. Clean cut jeans and plain tee shirts are allowed.

CARRY ON BEVERAGES are not allowed and if caught you will be dismissed from our league.

MATCH PLAY FORMAT is with both players using their full handicap. One point is awarded for each hole you win. Ties win 1/2 a point each and person with low net score wins 2 additional points. If your opponent is missing you automatically get 5.5 points and then 1 extra point for every stroke your net score is below 38.

HOW IS YOUR HANDICAP USED? On the scorecard each hole is rated with a handicap. On the front 9 hole one is the 4th handicap hole, two is 10, three is 6, four is 16, 5 is 8, six is 12, seven is 2, eight is 18 and nine is 14. If your handicap is 5 you would get a stroke that is then subtracted from your score on holes 1, 2, 3, 5 & 7. Let's say that your opponents handicap is 0. If he scored a 4 on number one and you a 5, your score after subtracting your handicap stroke is a 4 so you and your opponent would tie the first hole. You each win a 1/2 a point on that hole. Do this figuring for each hole. The person at the end of 9 with the most points wins the match.

HOW TO ESTABLISH A HANDICAP. If you are new to the league or do not have an accredited WSGA handicap, we will need at least 5 scores from you prior to the start of the season so we can establish your handicap. The more score the better. The system figures a handicap by using the best score of the first 5, two scores are used when 7 scores are posted etc.

OVERALL SEASON WINNERS will be determined by total points won for the season.

PRIZE MONEY. Out of your fees, \$2.00 is held back for weekly event winners. One dollar from each player each week will be kept to payoff the highest point winners for the season. Winnings will be credited to your account & can be redeemed for golf, cart, food, drink or clothing.

SIDE EVENT is the event we will run each week. Some examples are: individual low net, skins, blind partner best ball 2 some, Low net throwing out your two worst holes etc

SPRING MEETING: there will be a get acquainted meeting on Tuesday, April 23, at 6pm. We provide the snacks and tap beers will be available for \$1. This is a mandatory meeting to insure we get the season started on the right track.

- 4-23 6pm meeting, free beer and snacks
- 5-7/8 Long Putt 1, 3, 6 and 9. Closest to Pin #4 & 7, cl in 2 shots 2 & 8.
