

LADIES

LESSONS & GOLF TOUR

Monday evenings or Tuesdays at 10am or 5:15pm

2019

Ladies, are you looking to learn or improve your golf game, play a few holes and be with friends?

Muskego Lakes CC, for the 16th year in a row, provides a ten week, play as many holes as you wish evening golf league with lesson prior to play. This is your chance, to learn the game and play a little golf without the worry of being pushed by other golfers behind you. Included in the below listed fee is your golf, range balls, lessons and cart.

Lessons start the week of June 3. Golfing will conclude the week of August 12th provided there are no rain outs. Registration is on a first come first serve basis for a maximum of 60 ladies on Mondays, 16 on Tuesday mornings and 44 on Tuesday evenings. The evening lesson time is from 5:15 to 6:15, morning is from 9:30 to 10:30am. To insure you have the time to play a minimum of 5 holes, we use a shotgun start (Foursomes start on a different hole at the same time) on both days. Tuesday's shotgun start is using the first 5 holes of one of the nines. All pairings are in groups of four with you having the ability to make your own foursome.

What is the cost? The whole package is only \$295. If you register and pay before 2-15-19 the fee is \$265. Or you pay \$617 and play all the 9 hole rounds of golf you wish for the whole season.

What happens if I miss a week of play? No problem, If you are unable to make a play day, we will give you a credit slip for \$15, but only for a maximum of two missed dates, these have to be redeemed before the end of the 2019 season. Or, you could send a substitute to play in your place in lieu of a \$15 credit slip. If you do have a substitute, it is up to you to collect from that person if you wish.

Golf lessons? The format will be modified group lessons starting at 5:15 and finishing at 6:15 with four instructors on Monday evenings and three for Tuesday evenings provided class sizes are close to maximum numbers. Brandy Johnson will be the presenter on both days. The last 45 minutes of lesson time will be with you going to your assigned instructor for some personalized instruction. Each lesson will focus on a different aspect of the golf swing and thought pattern. We will also cover sand trap play, chipping, rules and etiquette.

The instructors are: Brandy Johnson, Amanda Bliske, Levi Oxford and Steve Krause.

Please tell your friends about this great opportunity!

All Lessons will be held on the dates scheduled even if the course is closed!

If we are unable to play golf after a lesson, an additional play date will be used from the rain dates listed below. Please consult with your instructors for further information.
