Are older than 18 years of age and looking to learn or improve your golf game and play as many holes as you wish?

Muskego Lakes CC is using a tried and tested format to bring you a fun way to learn the game. For ten weeks you receive a lesson from 5:15 to 6:15 followed by your ability to play as many holes as you wish before it gets dark. Included in the below listed fee is your golf, range balls, lessons and cart.

This program begins June 4 and concludes August 13 provided there are no rain outs. Registration is on a first come first serve basis for a maximum of 32 participants. To insure you have the time to play a minimum of 5 holes, we will start the foursomes in a shotgun start at 6:15 on designated holes for that evening. All pairings are in groups of four with you having the ability to make your own foursome.

***What is the cost?*** The whole package is only \$285 plus 5.0 tax if paid before February 15 after the price is \$310 plus tax.

***What happens if I miss a week of play?*** No problem, If you are unable to make a play day, we will give you a credit slip for a nine hole greens fee but only one per half season (a total of 2 misses per full season), these have to be redeemed before the end of the 2021 season. Or, you could send a substitute to play in your place in lieu of a 9 hole credit slip. If you do have a substitute, it is up to you to collect from that person if you wish.

***Golf lessons?*** The format will be modified group lessons starting at 5:15 and finishing at 6:15 with at least one instructor. Lead instructor, Mark Krause, will present that night's lesson to the whole group before breaking into twosomes to hit range balls and have some personal time with the instructor. Each lesson will focus on a different aspect of the golf swing. We will also cover sand trap play, chipping, rules and etiquette. If the size of the group is more than 16 people, Mark will be joined by one of the assistant pro's on staff.

***Please tell your friends about this great opportunity!***
