

LADIES

LESSONS & GOLF TOUR

**Monday evenings or Tuesdays at 9:30am for 10 weeks
or Tuesday 5:15pm for 13 weeks
2021**

Ladies, are you looking to learn or improve your golf game, play a few holes and be with friends?

Muskego Lakes CC, for the 17th year in a row is providing this program which includes a lesson prior to playing as many holes as you wish. This is your chance, to learn the game and play a little golf without the worry of being pushed by other golfers behind you. Included in the below listed fee is your golf, range balls, lessons and cart.

New this year. Tuesday nights will be a 13 week program with 7 lessons instead of 10 weeks and 10 lessons.

Lessons on Monday's and Tuesday mornings start the week of June 7 and conclude August 9. Tuesday evening will begin May 25 and conclude on August 17 provided there are no rain outs. Registration is on a first come first serve basis for a maximum of 60 ladies on Mondays, 16 on Tuesday mornings and 44 on Tuesday evenings. The evening lesson time is from 5:15 to 6:15, morning is from 9:30 to 10:30am. To insure you have the time to play a minimum of 5 holes, we use a shotgun start (Foursomes start on a different hole at the same time) on both days. Tuesday's shotgun start is using the first 5 holes of alternating nines. All pairings are in groups of four with you having the ability to make your own foursome.

What is the cost? The whole package is only \$310. If you register and pay before 2-15-21 the fee is \$285.

What happens if I miss a week of play? No problem, If you are unable to make a play day, we will give you a credit slip for a future 9 hole round, but only for a maximum of two missed dates, these have to be redeemed before the end of the 2021 season. Or, you could send a substitute to play in your place in lieu of a 9 hole credit slip. If you do have a substitute, it is up to you to collect from that person if you wish.

Golf lessons? The format will be modified group lessons starting at 5:15 and finishing at 6:15 with four instructors on Monday evenings and three for Tuesday evenings provided class sizes are close to maximum numbers. Each professional will do their own presentation of that week's topic and then work individually with their group of students. Each lesson will focus on a different aspect of the golf swing and thought pattern. We will also cover sand trap play, chipping, rules and etiquette.

The instructors are: Jim Maher, Amanda Bliske, Bob Beyer and Steve Krause.

Please tell your friends about this great opportunity!

If we are unable to play golf after a lesson, an additional play date will be used from the rain dates listed below. Please consult with your instructors for further information.
